

The South Hampshire Historical Aviation Society

Presents

Hurbert Scott-Paine

A Talk By

Steve Alcock

Steve is manager of the Solent Sky Museum and makes a return visit as our guest speaker.

Hurbert Scott-Paine was an aircraft and boat designer, record-breaking power boat racer, entrepreneur, factory manager and later owner of the Supermarine Aviation Company, that produced the Spitfire. He would make an important contribution to the aviation and marine history of the South coast and Britain.
